

Protective Behaviours

Protective Behaviours

Aim: To provide an overview of knowledge about the content, themes, core concepts and strategies of the Protective Behaviours Program.

Target group: Department of Communities Staff

Training for

Staff

Learning Outcomes

At the end of the program participants will be able to:

- Formulate increased knowledge in the issues of abuse and abuse prevention.
- Develop sound knowledge and understanding about the benefits of preventative interventions for children and families.
- Learn simple practical strategies, themes and concepts, designed to increase children's and families personal safety.
- Identify and develop problem solving and assertiveness skills for children and adults.
- Develop skills in presenting the program in a manner whereby the process is congruent with program content.

Structure

Morning Session

- History of protective behaviours
- Nature of abuse
- Offender profile and grooming

Afternoon Session

- Practical tools, resources and strategies for implementing the protective behaviours program.
