

Values in Action

Department of Communities

Values in Action

Aim

Understanding how our values can enable individual, family and community wellbeing.

Target group

All Department Staff

Learning Outcomes

- Analyse community services values from a historical, local and contemporary values perspective.
- Analyse own values and how they impact on personal and professional life.
- Explore organisational change processes from Aboriginal and non-Aboriginal perspectives.
- Describe activities and behaviours that promote, align or undermine organisational values, integrated service delivery and intended outcomes.
- Commit to a set of values-led actions and collective behaviours to model with colleagues and clients.

Duration

One day

Registration

- Staff on ESS (Empower) must register using **Employee Self Service**.
- Other staff register at <https://cpfs.moodle.com.au/enrol>
