

## Foster Carer Preparation Training - Self Paced

Training for:

 Carers

**Aim:** This package provides new foster carer applicants with the learning necessary to prepare for fostering children and young people within the care of the Department for Child Protection and Family Support. It allows applicants the opportunity to complete the six modules of the Foster Carer Preparation Training in the comfort of their own home, when they have been unable to attend any face-to-face group training offered in Metro and Country Districts or via the video-conferencing version of this training.

Each module is equivalent to 3 contact hours plus additional reading time. You should be able to complete this course within 1-2 months. Upon completion of all 6 Modules you will receive a Certificate of Completion of the Foster Carer Preparation Training.

**For more information contact Foster Carer Learning - Learning Development Centre**

Address: Level 6, 8 Bennett St, East Perth WA 6004
